Please note that all value assigned to donations by the donor are to be considered as the donor's estimate, and not as the estimate made by Planet Aid.

Planet Aid did not provide any goods or services in consideration, in whole or in part, for any of the property transferred to Planet Aid.

Please note that the donor cannot deduct any amount for a contribution of clothing unless the clothing is in good used condition or better. If the donor claims a deduction for a contribution of property exceeding \$500 in total value, the donor must file form 8283 (Noncash Charitable Contributions) with the IRS. If the donor claims a deduction for a single item of clothing that exceeds \$ 500 in value, the donor must file a qualified appraisal with the IRS. Donors should consult a tax advisor in connection with claiming deductions for charitable donations of property.
